Dear Parents

HALAL MEAT

Following several requests from a number of parents in the school community I am investigating the possibility of introducing a halal meat option, in addition to the current meat dish provided by Harrisons.

I have spoken with Harrison’s representatives who assure me that they are already offering this choice in a few other local Ealing schools, and that it is quite a straightforward process to introduce.

The aim is that, in the first instance, we would have a halal option on Tuesdays and Thursdays. We would then evaluate this after a period of time before making any decisions about future meal provisions.

In order to gauge the likely uptake, I would ask you to complete the slip below so that we are able to make an informed decision about the viability of this scheme. At this point it is important to note there is no commitment on the part of either the school or the parents – I am simply gathering as much information as possible.

I would be grateful if you could return the slips to school by FRIDAY 7th OCTOBER 2016.

Yours sincerely

Miss K Moyse
