Dear Parents/ Carers

INSTRUMENTAL MUSIC LESSONS

I recently met with the Assistant Head of Ealing Music Service to explore the options available to bring a range of instrumental lessons to Coston Primary in September for children in KS2. In order to gauge the interest there would be across the school I would be grateful if you could complete the slip below so that we can make a decision about the viability of the scheme.

We are looking to offer lessons in trumpet, trombone, clarinet and flute which could be for individual children, in pairs or a small group of 4. It will be possible to hire instruments from the Music Service, costs for this yet to be confirmed. The cost of lessons will depend on whether your child have an individual, pair or group lesson, starting at £18 for individual lessons, £9 for a paired lesson and £4.50 for a group lesson. Lessons will be 30 minutes long and need to be paid for in advance each term.

I am very keen to promote music in school. Like sport, art and drama it allows the children to excel in non-academic areas, and to learn skills which are life-long. I know a number of people who now play in bands, orchestras and music groups – a hobby which began in primary school, in some cases has taken them abroad for concerts and has led to new and long lasting friendships from a mutual interest in music.

I hope that many of you will consider this opportunity for your child. Please indicate below if you have a preference for a particular instrument, and/ or would prefer individual, pair or group lessons. I would be grateful for all replies by FRIDAY 10th MARCH so that I can make a decision whether to go ahead with booking some time slots with the Music Service.
