28th April 2017

Dear Parents/Carers,

We are always seeking to enhance our engagement with parents and to this end we are piloting a “Stay and Play” initiative for our Nursery families. These sessions will provide an opportunity for parents to join their children in the Nursery for the first half hour of the session and engage with their child in the learning activities set up. Parents are then invited to join us for coffee and will have time to view their child’s Learning Journey records. These sessions will provide the opportunity to improve links with the Nursery staff and with the parents of other children in the class.

The first “Stay and Play” will be held on Friday 5th May 2017. For the children who attend the morning session, parents will be welcome to join the class from 9:00am to 9:30am followed by coffee in the library where you will have the opportunity to view your child’s Learning Journey. For the parents of children who attend the afternoon session, parents will be welcome to join their child in Nursery from 12:30pm to 1:00pm followed by coffee in the library and an opportunity to view your child’s Learning Journey.

We do hope you can join us, and if you have any questions please do not hesitate to ask. Unfortunately, for health and safety reasons, together with space restrictions, we cannot accommodate younger siblings at these sessions and ask that parents do not bring other children to the sessions.

Yours sincerely

Ms Jude Lucas (Acting Assistant Head)

Miss Deborah Ashton (Nursery Teacher)
