Dear Parents/ Carers

As I am sure you will have noticed when you arrived this morning, we still have some builders on site. Unfortunately the roofing project planned to be completed over the summer break has taken longer than anticipated, and the workmen will be with us for another 3-4 weeks (weather permitting).

Fortunately the outstanding work is mostly confined to the front of school on the Wood Building, with a small area on Blount Block to complete. Over the last few days the roofing company have worked very closely with the school and advisers from Ealing local authority to ensure that the whole site is totally safe for the children to return. I have spoken to the children about the on-going work, and the out of bounds areas. The areas where the roofers are working are securely fenced off, and the workmen will not be coming into the school buildings or the playgrounds unaccompanied by school staff at any time whilst the children are on site.

Whilst this is not ideal, please be assured that the safety of the children has been paramount in planning for the roofers to complete the project. Please do not hesitate to speak to me if you have any questions.

Yours sincerely

Miss Kate Moyse
